# What is the Greater Farmington Film Festival?

The Greater Farmington Film Festival presents documentary and feature films that address important contemporary issues, engage the heart and mind, and inspire audiences to make their community and world a better place.

These are films with a conscience.

Good films for a better world.

Each film is paired with local nonprofit organizations that address similar contemporary issues in order to provide audience members with opportunities to improve their community and the world.

We invite you to join us in making a difference in our community by supporting the Greater Farmington Film Festival as a sponsor.

For more information contact Dwayne Hayes at 248-231-2158 or [info@gffilmfest.com](mailto:info@gffilmfest.com) by January 15.

Over 700 people attended the inaugural Greater Farmington Film Festival in 2014 and two screenings were sold out.

100% of attendees stated they would recommend the festival to friends and family and the 2015 Greater Farmington Film Festival promises to be even better. Learn more at [www.gffilmfest.com](http://www.gffilmfest.com).
